

OFFICE OF THE PRINCIPAL
BHILAI INSTITUTE OF TECHNOLOGY, DURG

BIT/2020/04/03

Dated: 08.04.2020

NOTICE

In addition to the ongoing theory classes it is suggested that the students of BIT, Durg may avail the Virtual Labs to enhance their practical learning experience. Virtual Labs – an MHRD Govt of India initiative may be accessed through a common website: www.vlab.co.in.

Virtual labs are pool of labs put forth in various disciplines such as CSE, Civil Engg, ETC, Mechanical Engg, Electrical Engg and Physical Sciences. The labs has been prepared by twelve participating Institutes such as IIT- Mumbai , IIT- Delhi, IIT- Kharagpur , IIT – Kanpur, IIIT Hyderabad, IIT – Chennai and others.

Virtual Lab is a complete Learning Management System. All the relevant information related to labs including the AIM, theory, procedure, simulation, lab-manual, additional web-resources, video-lectures, animated demonstrations and self-evaluation are available at a common place. Small projects can also be carried out using some of the Virtual Labs. Virtual Labs can be effectively used to give lab-demonstrations to large classes.

Faculty members are therefore requested to coordinate for the same.

Dr Arun Arora
Principal
BIT, DURG
