

OFFICE OF THE PRINCIPAL
BHILAI INSTITUTE OF TECHNOLOGY, DURG

BIT/2020/05/17

Dated: 26.05.2020

NOTICE

Bhilai Institute of Technology, Durg in its continuation to the teaching learning process has registered to avail the edX courses. These courses will help the students to continue their learning in view of the lockdown due to COVID-19.

edX Courses created by Massachusetts Institute of Technology(MIT) and Harvard University offers open online courses in Engineering, Science , Management and others. Due to COVID – 19, edX is offering free access to more than 800 certification courses to accredited academic institutions worldwide. Institute has received 5000 unique enrolment codes and will have access until June 30, 2020.

Interested Faculty members and students are required to register through <https://forms.gle/SHy9NJzsMi3ChZfi6> to avail the above courses. Learners will be receiving the enrolment code for each course through tpo@bitdurg.ac.in .
