## NAAC SPONSORED SEMINAR 2021

### *"Incorporating human values in higher education"*

#### Preamble

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) conducts assessment and accreditation of Higher Educational Institutions (HEI) to derive an understanding of the 'Quality Status' of the Institutions. NAAC evaluates the Institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and Outcomes, Curriculum coverage, teaching learning processes, faculty, research, infrastructure, learning resources, organization, governance, financial well-being and student service.

The Seminar shall elaborate on what role one has to play as responsible human being at the level of individual, family, society and nature. With this clarity, one is able to see the meaning in life, purpose in life and is committed to fulfil that meaning, that purpose.

#### About the Institute

Bhilai Institute of Technology, Durg is initiated by notable stalwarts of central India in 1986 with a vision to become one of the Premier Technical and Management Educational Institutions in the Country, delivering excellent professional education, creating value based globally competitive professionals and achieving excellence in all our endeavors. BIT campus has a conducive and supportive academic ambience facilitating high quality education and research for more than 4000 students of Bachelors, Masters and Doctoral programs. BIT, Durg is the first technical institute in the state to be conferred Autonomous Status by UGC, Government of India. All its undergraduate programs has been accredited by NBA. The institute has been "A" grade accredited by NAAC. The Institute has been NIRF 2020 ranked under Engineering category in the Rank-band: 251-300. Under AICTE Margdarshan Scheme, the institute is mentoring ten technical institutions to encourage best practices. BIT, Durg is selected by AICTE to establish IDEA Lab in 2021.

#### Objectives

The objectives of the seminar are

1. Development of a holistic perspective based on self-exploration about themselves (human beings) family, society and nature/existence and sustainable developmental growth without disturbing the harmony of nature. Resolving the conflict which is faced in practical world with the help of values.
2. Understanding feeling and human goal and all can enter into compliment relationship with all for a bright future.
3. Strengthening of self-reflection, self-understanding, trust, intention. Understanding ego, evaluation, under evaluation, pre-conditioning and how these come in way of reaching human goals.
4. Development of commitment and courage to act, fearlessness, love for all.
5. Transforming the human values of self, harmony, and love into family, society, country and world.
6. Acknowledging Gratitude as a way to resolving disputes, successful negotiation and convey respect.

#### Major Themes

1. Ethics
2. Life Skills
3. Motivation
4. Yoga and Meditation

#### Online Mode

Link will be shared for joining all the sessions.

#### Certificate

- Participants who attend the programme with minimum 80% attendance would be issued Certificates provided they score minimum 60% marks in online test conducted at the end of the seminar. It is mandatory to submit the feedback form.

#### Expected Outcomes

The Expected Outcomes are :

1. Faculties are expected to become more aware of themselves, and their surroundings (family, society and nature); they would become more responsible in life, and in handling problems with sustainable solutions, while keeping human relationships and human nature in mind.
2. Develop better critical ability about self and more sensitive to the needs of students.
3. They would also become self-aware to their communication towards students what they have understood (human values, human relationships and human society).
4. It is hoped that the need and curiosity to apply what they have learnt to their own self in day-to-day settings in real life, or least a beginning would be made in this direction.
5. This is only an introductory foundational input. It would be desirable to follow it up by
  - a. Faculty-student or mentor-mentee programs throughout their time with the institution.
  - b. Higher level courses on human values in every aspect of living.

#### Important Information

- Number of participants is restricted to 200 and the participants are selected on the basis of first come first serve.
- However, the coordinator reserves the right of selection of participants subject to availability of resources.

#### Registration Link

The applicants are requested to get themselves registered through the following link:

*Technical Session-6- Decoding the Mind Matter*

Swami Brahmachitt Ji

An IT engineer by profession, Swami Brahmachitt Ji realized he had an altogether greater purpose in life while he was working in one of the most reputed IT firm WIPRO Ltd in India. During his University education, Swami Ji started playing Volleyball by representing his University, his District and also in many national level tournaments. During this time in 2001 he was introduced to Art of Living and His Holiness Sri Ravishankar. His calling was to be under the tutelage of one of the greatest masters of the World, Gurudev Sri Ravi Shankar. Under the special care and affectionate attention of Gurudev, Swami Ji advanced steadily in the path of spirituality. He personifies a beautiful balance of the depth

of wisdom and lightness of humor; Perfect equanimity and full participation. He teaches how a question can be transformed into wonder, a problem into an adventure and noise into music! Taking the message of wisdom and universal love from Gurudev, he

has been undertaking numerous padayatra (peace walks) in the remote villages of India. He has brought about solace to thousands of people through his Healing Blessing programmes, the Art of Living courses, padayatra, discourses, pujas and satsangs. During this pandemic, Swami Ji has touched more than 10,000 lives through online yoga and meditation courses of Art of Living.

### Key Highlight

#### About the Institute:

Bhilai Institute of Technology, Durg (BIT) initiated by notable stalwarts of central India in 1986 has now taken a shape for which nation can be proud. A conducive and supportive academic ambience has been established at BIT to support good number of Undergraduate and Post Graduate programs judiciously blended with strong R&D culture adopted by its faculty members. All the seven of its undergraduate courses have been accredited by NBA, NAAC(Grade-A) and followig ISO-9001:2008 since last twelve years. UGC also granted Autonomous status to the BIT in 2020. BIT, Durg is also in the rank band of 251-300 in NIRF listing. A galaxy of potential researchers among the faculty members as well as strong base of research scholars has brought BIT to superhighway of R&D activities.
