**(MANUGURU)**

**Event :** Quiz Competition

**Organized by:** Department of Applied Physics

On the occasion of Memory of Dr. C.V. Raman, (Nobel Laureate), the NSD was celebrated by Department of Applied physics, Bhilai Institute of Technology, Durg. Department had organized a one keynote technical talk by guest speaker, Mr. Sanjeev Gour, DEPUTY GENERAL MANAGER, Heavy Water Board, Department of Atomic Energy, Manuguru, Telangana. Mr. Gour had shared a broad view about the Nuclear programme in India and Heavy water and its development. This lecture was organised online in Google Meet and for students it was arranged live in YouTube. Faculty members of the department and Vice-Principal of the institute were present along with students of the institute.

After this, a quiz for B.Tech. students was conducted in which 134 students were registered and 58 students participated. Based on the Quiz score, 2 participants won 1<sup>st</sup>, 6 participants secured 2<sup>nd</sup>, and 4 participants secured 3<sup>rd</sup> position.

### STAGE 1: PRESSURIZED HEAVY WATER REACTOR

- Fuel: Natural Uranium ( $U-238$ )
- Moderator: Heavy water
- Byproduct: Plutonium-239
- ✓ Natural uranium contains just 0.7% of the fissile isotope  $U-235$  and remaining 99.3% is  $U-238$  which is not fissile but can be converted in a reactor to the fissile isotope  $Pl-239$ .
- ✓ Heavy water ( $D_2O$ ) is used as a coolant and moderator.
- ✓ Logic: Light Water reactor required enriched Uranium. Components of LWRs were to be imported and Uranium enrichment facilities were required to be setup.
- Instead of going for Uranium enrichment it was decided to go for Heavy Water reactors which do not require enrichment facilities. Byproduct of PHWR i.e. Plutonium-239 would be useful in later stages.

the most part. What he had to show them was too novel, too unfamiliar, and mostly presented in unusual manners. Seeking mathematicians who could better understand his works, in 1913 he began a postal communication with the English mathematician G.H. Hardy at the University of Cambridge, England. Recognizing the works of Ramanujan as extraordinary, Hardy arranged for his travel to Cambridge. In his notes, Hardy commented that Ramanujan had produced ground breaking new theorems, including some results that "defeated me completely. I had never seen anything in the least like

22<sup>nd</sup> November, 2019

To,

All Director/Principal of AICTE Approved Institutes

Subject- Celebration of Indian Constitution Day On 26<sup>th</sup> November, 2019-Reg.

Dear Sir/Madam,

India's Constitution was adopted on November 26, 1949, and came in to force on January 26, 1950 marking the beginning of a new era in the history of India. The Government in 2015 decided to observe 26th November as 'Constitution Day' or 'Samvidhan Divas'. The Commemoration Function of 'Samvidhan Divas' will be addressed by Hon'ble President of India, Hon'ble Vice President and Hon'ble Prime Minister of India at Central Hall, Parliament House on 26.11.2019 from 11:00am onwards. The programme shall be aired by Doordarshan, Lok Sabha TV and Rajya Sabha TV.

In this regard, a communication has been received on 21.11.2019 from Ministry of Human Resource Development on the celebration of 'India Constitution Day' on 26th November, 2019. The celebration campaign shall commence from 26.11.2019 and continue till October, 2020.

In view of the above, AICTE requests your institute to arrange mass reading of the preamble to the Constitution at appointed time i.e. 1100hrs on 26.11.2019 with the maximum number of student, faculty and staff members. Additionally, the activities mentioned in Annexure-1 may also be organized & implemented.

More information related to this program including copy of the preamble & program details please visit:- <http://kartavya.ugc.ac.in> or <https://doj.gov.in>

Please treat this as 'Most Important & Urgent'.

With Regards,

(Prof. Anil D. Sahasrabudhe)
