

BIT/2021/ 124

Date: 29.07.2021

NOTICE

As an Initiative to tie up with Industries and provide Industry recognized certifications. Institute has recently collaborated with **AMAZON** Web Services (AWS) to establish AWS Academy at its premises. It shall give the opportunity to faculty and students to develop a range of skills and expertise from foundational cloud concepts to architecting, developing, operations, machine learning and data analysis on AWS. Each learning path is designed to help students prepare for an AWS Certification.

Faculty and students shall also have access to free practice exams and serialized discount certification fees. They shall also participate in AWS Academy events, such as AWS Academy conferences and webinars.

The AWS Academy offers courses and learning resources that enable students to develop a range of skills in the AWS Cloud. The last date to register is August 6, 2021. Some of the courses offered are:

- AWS Cloud Foundations
- AWS Machine Learning Foundations
- AWS Cloud Developing
- AWS Cloud Operations
- AWS Cloud Architecting
- AWS Academy Data Analytics

Interested faculty members may kindly register through the link
